Assalam-o-Alaikum Wa Rahmatullah

May the peace of Allah (swt) descend upon you and His Mercy and Blessings.

The KGNWT Team and I would like to take this opportunity to sincerely thank you for your generous and continued support to help those in need. Your help has meant that we have been able to help thousands of people in distress and dire need.

Whenever KGNWT has looked for your support, it has always been forthcoming and your exceptional donations are the key to our success. From our Earthquake and Flood Appeals, our Ramadan Iftar, Thar Drought, Livelihood Projects and Ration Packs, to our Water Projects, it is you who have achieved all this.

“The likeness of those who spend their wealth in the way of Allaah, is as the likeness of a grain (of corn); it grows seven ears, and each ear has a hundred grains. Allaah gives manifold increase to whom He wills. And Allaah is All-Sufficient for His creatures’ needs, All-Knower” QURAN 2:261

Once again, we encourage you to enthusiastically take part in our fundraising activities. Your patronage in helping us provide comprehensive care and assistance will make a real difference to the life of thousands of poor families.

Lack of clean drinking water is a major problem in developing countries. Water-borne diseases are rampant in economically depressed rural areas because clean running water is simply not available.

The only alternative is to install hand pumps or deep wells (drilled wells) to draw clean water from the ground depending on the depth of the water table.

The KGNWT has, with your generous support, provided clean and safe drinking water for those who cannot afford it due to their financial situation. Hundreds of water-holes and hand pumps have been installed in villages throughout Pakistan with thousands of families benefitting.

livelihood projects

Rickshaw, Motorbike & Sewing Machine Assistance Projects

The increase in unemployment has meant that it is getting harder to sustain livelihoods among poorer families.

People don't want charity, they need to be provided with opportunities to get themselves out of the vicious cycle of poverty. The KGNWT have launched two projects, the 'Rickshaw Assistance' project and the 'Sewing Machine Assistance' project to help empower poor jobless people with a means to earn their daily livelihoods and get themselves and their families out of poverty.

The KGNWT has already distributed 56 rickshaws to deserving families. In addition, 26 rickshaws have also been

provided to deserving families on a 'no profit no loss' basis.

Recently, the KGNWT has started another project to distribute 70cc motorbikes to deserving persons on a 'no profit no loss basis'. The trust will distribute 200 bikes among the most deserving applicants and there are already 1,100 more applications in the pipeline!

With your support, we aim to expand all our Assistance Projects to help even more deserving families get themselves out of poverty.

health

new maternity hospital

The KGNWT is in the process of building a state-of-the-art maternity hospital in Thar, Sindh.

There is poor access to health services in the area and the need is great for such a hospital especially with the maternal mortality rate being 15 times more in developing countries than in developed countries and children without mothers being less likely to receive proper nutrition, health care and education, leading to a continued cycle of poverty and poor health.

The cost of building this hospital is over Rs. 41m (£250,000 / \$420,000 / AED 1.525m)

Families of the Prophet (*saw*)

Narrated Abu Huraira:

Al-Hasan bin 'Ali took a date from the dates given in charity and put it in his mouth. The Prophet (saw) said, "Expel it from your mouth. Don't you know that we do not eat a thing which is given in charity?" (BUKHARI AND MUSLIM)

There are thousands of members of the Prophet's (saw) family who are living below the poverty line but do not ask for charitable handouts.

Giving and receiving gifts is an important part of the Islamic teaching as love for one's fellow man is a foundation of the faith. The Prophet (saw) gave and received gifts throughout his blessed life and instructed thus:

"Give gifts and you shall love one another" (BUKHARI)

Show your love for the Prophet's (saw) family and give them a gift today.

Qurbani reminders*

Qurbani means sacrifice. The significance of the sacrifice is from the offering of Prophet Ibrahim (as), who was prepared to sacrifice his son Ismail (as) to Allah (swt), upon having a dream of such a command. He prepared to offer his son, but this was a test from Allah (swt), so before he could slaughter his son, the angels replaced him with a sacrificial animal. To remember this, those who can afford to, undertake a sacrifice.

Since 2010, over 86,000kg of meat has been distributed to over 16,000 deserving families.

Please book your Qurbani with us.
